

# Rotary Club of La Crosse After Hours

Rotary International is one of the largest service organizations with 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves. From literacy and peace to water and health, we are always working to better our world.

## Empowering Young People - A Rotary Club For Our Future Leaders

Rotary After Hours (RAH) was chartered in 2011 as a way to attract and give young professionals the opportunity to get involved and make an impact in our community. We meet two times a month (over happy hour) and always offer at least one or two volunteer and social opportunities to join in on. There's truly something for everyone - networking, friendships and/or volunteering!

## Our Guiding Principles

*The Five-Way Test - Of the things we THINK, SAY, or DO...*

Is it the TRUTH, Is it FAIR to all concerned, Will it build GOODWILL and better FRIENDSHIPS, Will it be BENEFICIAL to all concerned, Is it FUN?

## Why Rotary After Hours is Amazing!

The purpose of Rotary is to do social and humanitarian good in our community and internationally. We use our knowledge of local issues to identify areas of need and then apply our expertise and diverse perspectives to the problem. RAH supports charitable and educational activities through funding and volunteerism. We are always open to learning about how we can support new service and social activities.
